

VISCOM SIGN EASYPRINT

LIGHT WEIGHT FOAM CONSTRUCTION BOARD

Product Overview

Viscom Sign Easyprint is a lightweight PVC-free foam board with an extruded polystyrene core and dual-sided Stadurlon outer compact sheets providing optimum printing and handling results.

After milling slots or v-shaped grooves the product can be bent or folded without breaking due to the high-performance Stadurlon PVC-free sheets.

Ideal for both indoor and outdoor applications, with exceptional weather, humidity and scratch resistance.

Key Features

- Light weight
- Indoor & outdoor applicaitons
- Weather & humidity resistant
- Dual-sided Stadurlon compact sheets
- Flush mounted protective film
- Extruded polystyrene core
- Excellent scratch resistance
- Suitable for cutting and milling
- PVC-free

Applications

- Digital & screen printing
- Point of purchase signs & displays
- Promotional displays
- Exhibition design
- Shop fitting & design
- Event marketing
- Furniture design
- Column panelling
- Interior/exterior applications

Product Performance and Suitability: We believe the statements and information contained herein are accurate but are to be used only as general guidelines and are not warrants or guarantees. Because of the variety of possible uses, there is no warranty of fitness for a particular purpose. The buyer must test the suitability for each intended application before using. Aarque Group Ltd will not be liable for damages in excess of the purchase price of its products or for incidental or consequential damages. Should any failure to conform to this warranty appear within one year of the initial date of shipment, Aarque Group Ltd shall, upon notification thereof and substantiation that the products have been stored and applied in accordance with Aarque Group Ltd's standards, correct such defects by suitable repair or replacement without charge at Aarque Group Ltd's plant or at the location of the products (at Aarque Group Ltd's election); provided, however, if Aarque Group Ltd determines that repair or replacement is not commercially practical, Aarque Group Ltd shall issue a credit in favour of the buyer in an amount not to exceed the initial purchase price of the product from Aarque Group Ltd.
