

ULTRA SINGLE-SIDED BOARD

PREMIUM SINGLE-SIDED COATED BOARD

Product Overview

Ultra Single-Sided Board is a premium coated, ultra white, solid bleached sulphate board ideally suited to high end printing and graphics work.

The distinctive clean-white surface delivers outstanding printability, delivering crisp colours and sharp contrasts.

Ultra Single-Sided Board meets multiple national requirements for food contact packaging, making it safe for food packaging and applications where the scent, taste or purity of a product must be unaffected.

Also suitable for embossing, foiling, die-cutting, scoring and folding.

Key Features

- Clean-white single-sided surface
- Smooth surface
- Consistent high quality prints
- Fade resistant
- Safe for food packaging
- Environmentally sound, fully recyclable

Applications

- Promotional campaigns
- Packaging
- PoS/PoP displays

Product Performance and Suitability: We believe the statements and information contained herein are accurate but are to be used only as general guidelines and are not warrants or guarantees. Because of the variety of possible uses, there is no warranty of fitness for a particular purpose. The buyer must test the suitability for each intended application before using. Aarque Group Ltd will not be liable for damages in excess of the purchase price of its products or for incidental or consequential damages. Should any failure to conform to this warranty appear within one year of the initial date of shipment, Aarque Group Ltd shall, upon notification thereof and substantiation that the products have been stored and applied in accordance with Aarque Group Ltd's standards, correct such defects by suitable repair or replacement without charge at Aarque Group Ltd's plant or at the location of the products (at Aarque Group Ltd's election); provided, however, if Aarque Group Ltd determines that repair or replacement is not commercially practical, Aarque Group Ltd shall issue a credit in favour of the buyer in an amount not to exceed the initial purchase price of the product from Aarque Group Ltd.
