DURAPRO Pull Up Banner

DURAPULLUP

Durapro Pull Up, this premium film features an anti-reflective bright white front surface and a grey light block back. This 100%PET, PVC-free film base ensures dimensional stability is maintained with perfect flatness, ideal for roll up displays, point-of-purchase, posters and trade show panels applications.

Recommended indoor and outdoor applications.

Key Features

- ▶ 100% PET, PVC-free film providing anti-curl properties
- ▶ The satin finish reduces glare, and improves colour density
- ▶ Non-transmissive Grey backside is the perfect background for brilliant full colour prints.

Applications

- ▶ Rollup displays
- ▶ Point-of-purchase
- ▶ Trade show panels
- ▶ Retail aisle banners

Product Performance and Suitability: We believe the statements and information contained herein are accurate but are to be used only as general guidelines and are not warrants or guarantees. Because of the variety of possible uses, there is no warranty of fitness for a particular purpose. The buyer must test the suitability for each intended application before using. Aarque Group Ltd will not be liable for damages in excess of the purchase price of its products or for incidental or consequential damages. Should any failure to conform to this warranty appear within one year of the initial date of shipment, Aarque Group Ltd shall, upon notification thereof and substantiation that the products have been stored and applied in accordance with Aarque Group Ltd's standards, correct such defects by suitable repair or replacement without charge at Aarque Group Ltd's plant or at the location of the products (at Aarque Group Ltd's election): provided, however, if Aarque Group Ltd determines that repair or replacement is not commercially practical, Aarque Group Ltd shall issue a credit in favour of the buyer in an amount not to exceed the initial purchase price of the product from Aarque Group Ltd.
