

PRODUCT SPECIFICATIONS

JETPRO Hi Res Matte 160gsm

JETMAT

Matt-coated speciality paper, ideal for photorealistic posters and indoor display advertising. The FSC®-certified paper delivers outstanding printing results with water-based, UV-curable and latex inks. It is perfect for event posters, customer stoppers or eye-catching point-of-sale advertising with product presentations and promotional posters. The printouts impress with excellent, reflection-free colour reproduction in all lighting conditions. The basis weight of 160 g/m² ensures good flatness and high stiffness.

Advantages

- ▶ Good, non-reflective colour reproduction
- ▶ Very good contour sharpness
- ▶ Quick dry
- ▶ Good Fatness
- ▶ High stiffness
- ▶ Acid-free
- ▶ F S C ® zertifiziert

	Storage	10 ~ 30°C (50 ~ 77°F) / Humidity 35 ~ 65%	
Ink Compatibility:	AQ LAT		

Product Performance and Suitability: We believe the statements and information contained herein are accurate but are to be used only as general guidelines and are not warrants or guarantees. Because of the variety of possible uses, there is no warranty of fitness for a particular purpose. The buyer must test the suitability for each intended application before using. Aarque Group Ltd will not be liable for damages in excess of the purchase price of its products or for incidental or consequential damages. Should any failure to conform to this warranty appear within one year of the initial date of shipment, Aarque Group Ltd shall, upon notification thereof and substantiation that the products have been stored and applied in accordance with Aarque Group Ltd's standards, correct such defects by suitable repair or replacement without charge at Aarque Group Ltd's plant or at the location of the products (at Aarque Group Ltd's election); provided, however, if Aarque Group Ltd determines that repair or replacement is not commercially practical, Aarque Group Ltd shall issue a credit in favour of the buyer in an amount not to exceed the initial purchase price of the product from Aarque Group Ltd.
