ADHESIVE****HIGH TACK****Gootack Construction Adhesive: Instant Grab. Total Confidence.**

Gootack is a next-generation construction adhesive designed for true **instant grab**—not fast, not quick, but immediate.

Developed for professionals in construction and fabrication, Gootack delivers powerful adhesion without the need for clamps, screws, or other visible fixings. The result? Cleaner finishes, faster installs, and reduced labour costs—with zero waiting time.

ULTRA**STRONG****WATERPROOF****What Makes Gootack a Pro Favourite:**

- **Zero Solvents** – Free from PVC, isocyanates, silicone, and harmful chemicals.
- **Flexible & Vibration-Resistant** – Perfect for demanding environments like construction, metalwork, and automotive projects.
- **Super Strong Bond** – Adheres to stone, timber, metal, aluminum, mirrors, plaster, glass, plastic, and more.
- **Paintable & Odor-Free** – Seamless for finishing touches.
- **Weather-Ready** – UV, moisture, mould, and weather resistant for long-term durability.

Gootack: Engineered for strength. Made for speed. Proven by professionals.
